

Welcome to Kindergarten

It is with great pleasure that we welcome you and your child to Kindergarten.

The start of the new school year is exciting for all involved and we are looking forward to meeting you and working with you throughout this year.

Following is a simple questionnaire developed to allow us to get to know your child so that we can cater for their individual needs and interests. We would appreciate if you could return it over the next few days. There will be further notes in the near future regarding our Kindergarten information night, parent volunteers, home reading and homework.
