27 January 2016

Dear Parents and Carers,

Once again in 2016, good communication between school and home will be a priority for us here at Grafton Public School. Over the past couple of years, we have established regular online communication with a comprehensive website and the establishment of a Facebook page.

Each week the school newsletter is produced on a Monday. It is uploaded to our website and a link is emailed to families and placed on our Facebook page. We may also email and/or Facebook any important notices or messages. To enable the efficiency of this process, we ask that you regularly update the school with any changes to your email address, and “like” us on Facebook.

If the family does not have an email address or access to the internet, paper copies of the newsletter are available from the office.

Please return the form below to your class teacher as soon as possible. If your email address has changed since last year, or if you have a new student joining us in 2016, please complete the extra information.

Kind regards,
Will Randall
Principal
