Dear Parents and Carers,

Request for Medical Condition Information

The health and wellbeing of our students is always a major concern for us. Therefore we ask that you keep us informed of any medical condition your child has which may require attention at school. Some of these include epilepsy, diabetes, severe asthma and allergies.

For conditions like these, the school needs to devise or update a Health Care Plan so we can assist your child in the best possible way. Examples of students who require a Health Care Plan include those who have ever had an allergic reaction, any student requiring an EpiPen, a diabetic student or a student who has chronic asthma or another respiratory condition.

It is a legal requirement for the school to be informed of relevant medical information. If applicable, please complete the form below and return to the office by Monday 22nd February.

Child's Name:..... Class.....

My child suffers from (please tick)

- Allergic Reactions (eg.insects/grass/certain foods/medication) Please specify.....
- Asthma
- Skin Conditions
- Diabetes
- Epilepsy
- Other.....
